We loved Eloise! She will surely be missed. So many good memories to hold dear of a lady with a heart of gold. She was a spunky Oakley and gave us all many laughs. Family, we are praying and thinking of you. Love you all, Bobby and Virginia

Eloise was a special woman. She managed to raise 11 children and loved them all. I think Randy might have taken a little more space in her heart because he loved her very much. She was a good wife to Clarence, who as I understand it was suffering from post traumatic stress syndrome after being held captive in WW2. As time passed. he got better, their marriage stronger and dedication deeper. He loved her. Her children love her, her sister loves her as does friends and other family members. How much that says about how a person has lived their life. She will be missed.
