“ As kids and growing up together I loved going to the farm at Mont Claire and staying with my cousins. I wore her wedding dress when I married, and later she even shared her maternity clothes with me. She was kind and a very beautiful woman. She has been sick for a long time and she's at peace now. I surely share your sadness.

“ So sorry to hear of your loss. I remember how eloquent I always thought your mom was when Dad would take me with him to the house when I was a little girl. She never raised her voice, but had a very unique way of letting you know if things were not quite right with her by her words and approach to life. I always thought she was such a beautiful lady and even asked Dad when I was little if she was a "Queen". Not because she expected to be treated above others but because of her eloquent nature and beauty. She was extra special to me because we had "Mr. Ralph" we could share Thinking of you and your families, also remembering a Special Lady Winnie B. King
