“ *Back in the day (when we had stick barns) all the farmers depended on Mr. Odom to keep their barns in working order. This guy knew his stuff. What a great guy he was. He reminded me so much of my dad. May God bless this family during this difficult time.*

“ *Mr. Hubert was a smart & caring person which shown through in his business skills for many years. He was good to people who needed help & those who nat not have been able to pay. He had a "good heart!"*

A Godly man who supported his church even though he couldn't be there. His love of 75 years, Miss Patsy was the other part of his heart. Her passing In February ths year was tough for him & the family. Now God has called him home & he is whole again rejoicing in heaven!

I'll never forget his laugh because it was infectious! He was a handsome little man who enjoyed life & liked having things done the right way! May God give you strength family now to move forward. Amen & Amen

“ I have such wonderful memories of your Daddy. The one I remember the most was when we arrived at McLeod after a long trip from Mississippi as my Daddy was dying in 1992 and Hubert and Patsy were already at the hospital waiting. I remember the next day when my Daddy died Hubert sat down beside me put his arm around me and said “you still got a Daddy as long as I’m here. “ So many memories of a life long ago. Praying for y’all. I know your Daddy was so happy to see your Mama and they probably already found Bob Kirby too.
