“ My mind is happy because I know my precious friend is no longer in pain. But my heart is broken because I love her and will miss her so much. Time and life kept us apart more than we liked but when we got together it was like we never missed a minute. I know it will be that way again one day. It's just the thought of not being able to pick up the phone and hear her voice or join her in special times to come. I will try to find comfort in knowing that she will be with me forever in my heart. 😇❤️  
My prayers for Terry, Dalton, Caitlin, and the rest of her family and friends is that they can find peace and comfort to keep them strong and help them to live life to the fullest because I know that is what she would want.

“ Amanda came into my family's life when we moved here in 2001. She was always a bright light with a smile on her face. She loved my kids as if they were her own. She never had a bad thing to say about anyone and was always there when someone needed her. She will be missed immensely. My prayers go out to her family, I hope you find peace in knowing she is with the Lord.

“ I met Amanda 18 years ago and loved her from day one. Haven't seen her in the last 8 years due to life circumstance. Have talked to her on the phone and through Facebook though. So many precious memories that I will cherish. Races, cookouts and lake trips!!!! Love her and her family. My thoughts and prayers are with you all. I will see you all Thursday.
