“ *Amy, My heart is saddened by your passing. For the longest time we were so close. We drifted apart but you remained family. Your life was full of struggles and happiness but you smiled through all of it. You are free of all the things that held you down now. Spread your wings, adjust that halo (because we know those curls have it sideways lol) and fly. For my neice and nephews... I love you all and I am here if you need me.*
