“ Dear Becky and family,

I am just heartbroken that I could not be there yesterday. I wished you had left a message for me. I had no service and was out of town at the time. I am going to miss Mae tremendously. I will always remember our fun lunches and all our bible study meetings. Especially my 50th birthday. That was the best!!!! Mae was a great woman and truly, put her family first, no matter what. If there is anything I can do for ya'll please let me know. May her memory be eternal! See you in Heaven Mae! I love you!!!!
