“ I cannot begin to comprehend the depth of sorrow you must be feeling, but I hope that my words can offer some comfort. I will always cherish the memories of Bethany. She were an amazing person and a beautiful soul, full of kindness, compassion, and a zest for life. She was one of the nicest people I know. So Mrs. Betty Shaw you must have raised her right. Don't be sand because she is never really gone she is always with you in your heart and she loves you very much and so do I❤️!
