“ *Betty wasn't just a mother-in-law to me, she was a second mom. Her quick wit kept a conversation going and filled it with laughter. The apple of her eye was our daughter Mary-Michael of whom she was so proud. I can still see her crawling around on the floor or sitting there with Mary for hours at a time playing until every joint hurt and she had to get up. But, she never complained, she was where she wanted to be. Such precious memories I have and will keep in my heart forever. I love you Mama and look forward to the day I will see your smiling face once again. Loving and missing you always. Debbie*
