“ *I am so sorry to hear about the loss of your mother. She was so kind to me when we lived next door to each other - especially the year I lived at 3302 alone when the rest of the family was in Saudi Arabia. May you always be blessed with fond memories and good times.*

“ *Cynthia and family. You are all in our prayers. Mrs. Betty will be missed dearly. I took these images the other day. As explained to me this was Betty in every way. Cynthia asked me to share these so every one in the family can see and know that she is shining down on each of you sending you her love from above.*

“ Our Hearts are so with you doing this time. My Jimmy has been talking about all the things that Ma Betty, treated him with love and respect. Going out of her way to talk with him if he couldn't get out of his truck, or just sat n his wheelchair in your yard or wherever he was. We so remember the time that your Mom had you chase him down after one of his stints in the hospital. Yep, you found us and your a Mom was so determined to see him that day. But you found us. Shhh. At Mike's. My Jimmy was so tickled to see how Ma Betty, had her way. We all Loved her so much. Had so much respect for her. She was always so Sweet n had a kind word for everyone. Let's not even start talking about her talent and everything that she touched. You got all that from her. You have been so Blessed, know it's got to be terrible hard on you right now. But you so got this. With Kenny by your side, and your Moma n Daddy in your n heart. There's nothing you can't conquer. The next days, weeks, months or more will be hard. But your Ma Betty taught you well. We are only a txt, msg, or a Call away. Love you. Our Hearts or feeling your pain too. Love you so. In our n Prayers. Hugs n Kisses.

foods you remember, flowers you pick,
the fragrance of life itself. She's the cool
hand on your brow when you're not feeling
well, she's your breath in the air on a
cold winter's day. She is the sound of the
rain that lulls you to sleep, the colors
of a rainbow, she is Christmas morning.
Your mother lives inside your laughter.
She's the place you came from, your first
home, and she's the map you follow with
every step you take. She's your first love,
your first friend.
