“ I loved Betty Ann and enjoyed talking with her so much during our family gatherings! I especially enjoyed one trip we made together to the Outer Banks! I was helping take care of my mother in law Frankie and she was taking care of her mother Elizabeth and her friends! It was a great trip! I know you will miss both of your parents so much. Thank God for Heaven! Much love to you all!

“ So sorry to hear about the loss of Mrs Betty! She was the most kind & such a sweet soul. When my oldest was a baby & she had the Curiosity Shop she would carry him around to see all the trees. She would also take him and go to her office, saying they had work to do. Her & Mr Jim also sat at the hospital with him when he was in the unit, so we could attend my sister in law's wedding. (I'm Nola Marshall's daughter in law) Just know that your mother's love & kindness touched a lot of people.

“ Margaret has many fond memories of Betty from their childhood years as well as the few years we lived in Darlington. We are disappointed that we can not attend the service but health problems prevent us from travel at this time. Know that we have the family in our prayers. Al and Margaret Eads
