“ *I was sorry to hear of Billy's passing. I graduated with him from Clio High School in 1969. Billy was a nice guy and always kind to me. I will remember the Davis family in prayer and believe that Jesus will comfort all with each passing day. Donna Morrison Walker*

My thoughts and prayers are with the Davis family. Michael I know you are already missing him and my heart hurts for you. God needed another angel and I know you will forever have your dad in your heart. Praying for you all.
