“ *Tricia, Sandra, Yvonne, Richard, and family,*

*I am saddened about Bo's passing, but thankful to God that Bo is with Him! I met Bo as a brother-in-law, who was so friendly to everyone, and had such a kind and thoughtful heart. As I got to know him, he became a brother to me. He was always cheerful and loved to talk about such interesting subjects. He knew a lot about so many things! After he became so sick, he was quieter, but still the same Bo. I am thankful that my grandchildren have been so close to him, though they do not quite understand now what has happened. They will one day, and will have fun memories of his spring time kite flights with them, and fun daily memories! He became my brother and I will always be thankful for him in our lives.*

*Love and prayers,*
