“ *Just one proof of Bobby's generous, Christian spirit: When I was a new girl in 5th grade, Bobby was the first to make me feel accepted. He was a leader, and to have his friendship was a real plus with the other kids. Throughout our years at St John's, he continued to be admired and looked up to by our classmates. I'll never forget how grateful I was to him for helping me, a scared newbie, feel like I could become part of the class. I was seldom around him in recent years, nor with his family, but my prayers are with his family and all those who were close to him. He will be missed.*
