“ So sorry to hear about Mr. Bobby! I mostly saw him at Clanton's (Manheim) in Darlington since I was a youngster. He knew my dad and whenever I saw Bobby he would ask how my dad was doing as well as the rest of my family. Some people ask how you are doing and that's a good thing but when Bobby Tucker asked he would look me in the eye and put that big hand in mine and I knew he meant every word he said! He sincerely cared about people and lived it through his actions. Bobby will be truly missed by all who knew him.
