“ RIP Brad. You had your faults like we ALL do. But when you lost your mom your heart and soul was just so broken that no one could fix it. You knew that Jessica would be ok so went to be with your mom. But now your heart and soul is at peace because you will be laid to rest with your mom. We will miss all the jokes, laughter and talks we all shared. So go rest now and don't be teaching Evan nothing bad lol.
