“ I am so sad to hear about Brenda's passing. My family and Brenda's family were close and we lived on the same street when we were growing up. Good memories. Brenda was such a beautiful person - I always told her she was an Ava Gardner "look alike". My sincere condolences go out to her family. Rest in peace dear Brenda.

“ *I count it a blessing indeed to meet and soon after become friends with Brenda through our mutual friend Jerry Flowers Keeney. Brenda was always such a delight and thanked me every single time I sent her a get-well or thinking-of-you card. As much as she probably hurt physically with her illness, you would never hear a word of complaint from her. I will recall her friendly nature and sweet smile that was always "Brenda." She will indeed be greatly missed. No more pain as you rejoice in heaven with the Lord, Brenda.*
