“ Our deepest sympathy to Gina and the children on the loss of Bruce. He has been a much appreciated help with all that has gone on in our lives in the last two/three years. He could always make you smile. His suffering is over but the family is going to miss him. I will never forget how thoughtful he was of my husband, Bobby, during his illness. He always had time to talk to him and visit for a little while. He had dreams of planting a garden this summer, but that's one chore he won't have to take on. Rest in Peace, our friend and helper, Bruce.
