“ The first time I met Buddy we talked like we had known each other for years. I had seen where he and Brittany had pictures of fish they caught and said I would love to go fishing and He and Brittany told me the next time they went I could go with them. Sure enough they messaged me to see if I wanted to go but I couldn't make it. Wish I had gotten the chance to know him better he was really a nice guy. My thoughts and Prayers go out to all his family and friends. 💔🙏
