“ I remember Calvin from our paper route days. We'd all meet up in the backlot at Frank Lee's Service Station (across from where Hardee's is now) to get our bundle of *The Charlotte News* or *The Columbia Record* & do our daily rounds.

We hated the days when they included inserts as that slowed us down.

Calvin had an old Cushman scooter that he had fitted with saddlebags to compliment the front basket. His route was the largest of the group but he didn't have to pedal his way through town & outlying areas. He was very industrious & saved up enough of his commissions to buy the first Vespa motor scooter to come to Cheraw. RIP Calvin.
