“ I was shocked and heartbroken to hear this news. My love and prayers go out to his family. I truly understand the pain and hurt that all of you are feeling at this time. Chad was such a sweetheart. I will always remember the good old days when Mr. Cecil would take us to the Sonoco Club to swim, hanging out at the ball field and going to the beach.

Thinking and praying all of you!

*Love,

“ I hate to hear this, my heart breaks for all of you. Chad, William, and I were inseparable when we were little. From fighting over the a toy, playing a game he had to be Spiderman, pushing me off the porch and telling me I couldn't play on the go cart cause he was older than me (by months), to hugging each other before I had to go home because it was Wonderwoman turn. As we got older, we would still at times try to be there for each other but life grew us apart but never did we ever forget and that childhood bond was still there as brother/sister love. Chad always had that infectious smile and had a heart of gold. He will be greatly missed. Justin, Taylor, and Landon may God hold you close during this time. Rosemarie, Cecil, and William may God give you the strength and lift you during this and also wrap his arms around you and guide you. I love each of you and all of you are in my thoughts and prayers.
