I love you. Thank you so much. He always told me I was his heart. He was a big part of mine. There were times all we had was each other growing up. I just keep holding on to the thought that he's no longer in pain. He went through so much in his short life. Good, bad ,ugly, left, right and wrong. But he loved with everything he had in him. If he loved you, there wasn't anything he wouldn't do for you. The world lost a rare heart. Because you don't find many that love and forgive like he did!

“ To a good friend, a great father, and an even better son. You made this World a better place by your willingness to take on the challenges life tends to confront us with during our time here. You are an inspiration to all of us- your time here was way too short. May you find peace and tranquillity, and know that we will all miss you. You may be gone, but you will never be forgotten, as your memory will live on in our hearts and our minds. Save a seat up there for me. Love you, brother.

Chad,
You were more than just a friend but more like a brother to Tammy and I. It was such a sad day to find out that you left us! Needless to say, entirely way to early! You will be sorely missed by not only us, but by so many others! We love you, brother, and you will never be forgotten! Rest easy high up on that mountain! 💙
Much love, to you and all your family during this difficult time.

“ *Sending prayers and deepest sympathy during this most difficult time.*

I loved Chad and all the precious childhood memories of the fun we had with him, Tammy and Eric, when we came to visit from Tennessee.

Memories that will hold a special place in my heart.

Love and prayers always!

Love you my cuz,

This is a poem in honor of Chad. Love you all!

Cousin

Even though you are gone away,

Your love will always be here to stay.

You touched our hearts with so many things.

God knew you were the one to save,

He took you home to get some rest,

Even though we loved you best.

Our hearts are filled with so much pain,

God loved you more, there was no shame.

At this time we must let go.

Your memories we will keep a flow.

Rest our dear cousin with peace of mind,

Your memories will live on through.

Love forever and always,

Rhonda Cutshaw.
