“ Wallace has always been thankful for and appreciated his friendship with Charles and all of his family. Although I only knew him for about ten years, I thought much of him. He always had a smile and cheerful word, and a Godly character. God will take care of him. To all the family, May God give comfort and peace that only He can give. We love you all.

“ As a member of the American Legion Post 13 of Darlington, Bubba always added such class to our meetings with his ever smiling face and warm conversation. The Great Commander will definitely be sharing stories of God and Country with Bubba. A comrade that we will miss but he now resides in our Post Everlasting.

“ Charles and I went to school together and served in the National Guard also. He was a great man and friend. I am so sorry to hear of his passing. Hopefully I can make the visitation and maybe the funeral service. I will miss seeing him on occasions when out and about. Last time I saw him we were in Walmart in Florence and bumped into each other. He was a dear and true friend for sure. Jay Anderson, brother to Tony Andeson who lives in Darlington. SC.

“ Tommy/Family
I have always enjoyed the times I spent with Charlie over the years. Always a smile, a joke and a laugh when we would come together. He was a very dear friend and has been since childhood. I will miss his jovial personality when I go to the golf courses, he always took time out to shake a hand and lend a smile to everyone he met. RIP my old friend, we enjoyed many happy times and you have left us with some very good memories.
