“ Bob and I will never forget our special friend. Helping Bob with the yard when he was sick all those months. Taking time to stop and honk his horn for my fur babies. Always putting others before himself. I've only had the honor of knowing him four years, but he and Bob we're friends for years. He expected so kindly. We already miss his truck starting up in the morning. RIP our special friend. You will always be missed

“ Charlie was one of the most self-less individuals that I have ever known. I can never express the gratitude that I have for all that he did for my parents during my Mom's illness. I will always have the vision of him and Terri sitting outside their home in his truck waiting to support my family after we lost her. He was a great man and will be missed dearly by his neighbors. Dad said it best when he said that Eastburn Court will never be the same without him! My thoughts and prayers are with his family during this time of loss and into the days to come.
