Charles Eli Shoppell

Sept. 9, 1964 – April 22, 2022

Charles Eli Shoppell passed away peacefully on April 22nd, 2022 at his daughter's home surrounded by family. He was being attended to by McLeod Home Hospice. Charles (Chuck) was born in Boothwyn, Pennsylvania to the late Roy and Ethel Shoppell on September 9, 1964. He grew up working in the well business with his father and eventually started his own business. Later he became a tractor trailer driver and did this for 27 years until he retired due to a disability. In 2000, Chuck moved with his family to South Carolina. He was a simple man that loved the outdoors, camping and bonfires with friends and family. In December of 2017 he moved with his wife to Myrtle Beach and bought a condo near the water. He spent 3 years remodeling it all while fighting cancer. Chuck enjoyed long walks on the beach and watching the sun rise with his sidekick Aspen. They both enjoyed the beach and water. Most importantly he loved his family and always put them first.

Charles is survived by his wife, Deborah Ann Shoppell; his children, Brett Walls (Heather) of Georgetown, DE, Chelsey Williams (Bradford) of Timmonsville, SC, Charles Shoppell Jr (Kristi) of Florence, SC, Jessica Revell (Joseph) of Darlington, SC, daughter-in-law Kylee Walls of Manheim, PA; his 11 grandchildren (whom he was very proud of); and his brother Roy Shoppell of PA.

Charles was preceded in death by his son Dustin Earl Walls and parents listed

above.

At his request, there will not be a funeral service, just a private gathering with immediate family. He has requested that if donations in his memory would like to be made, they can be sent to the McLeod Home Hospice, or the Tunnel to Towers Foundation in which he was very fond of.

“ Debi, we are so sorry for the pain you're going through but also glad that Chuck is not suffering in pain any longer. He has to be the most positive person we have EVER met. Never once when I asked how he was doing did he ever complain. He always looked for the good in everybody and every thing. I will always remember his jokes (and him saying everyone didn't appreciate his type of humor) but we loved them. Our dinner at Dick's with y'all was the greatest! After I lost Sophie, right up until you went back to Darlington, he shared Aspen and Isabella with me when he went on walks, stopping by the office to see me. We really hate our cruise was cancelled because we know how much fun Chuck would have made it!! Rest in peace dear friend! We love you both. Pam and Pate

“ Chuck you will be missed so much by us. We will always remember the great times we all had together from camping, vacations, amusement parks, campfires and just many family get togethers. You were always a great fit into our family from the day you met your beautiful wife, our niece Debbie who you treated like a queen. We always admired what a great husband, dad, pop pop and all around friend you were to everyone. You truly were one in a million and its so heartbreaking that your time here was so short. You are at peace now and without pain but the many hearts you left will ache forever till we see you again. We love you, always have and always will and you keep your jokes and sense of humor going to entertain the rest of our family that you are with. Fly high buddy and we will see you again one day. Love Eileen and Tom

“ Chuck (Poppy) was the best husband, father to all of us, poppy to all his grandchildren. We will miss you like crazy. You were always up for anything we wanted to do, didn't matter what it was. If Chuck Jr was going you were too. lol... The beach won't ever be the same without you there with us, but I know you want us to make the best memories that we can and for you we will do so. Chuck the boys and I will take great care of Aspen till she's ready to come home to you. I could go on and talk about all the great things you did in life, but I will save room for someone else. Love you forever, your Daughter-In-Law Kristi Shoppell

I didn't know him very well but I do know that my brother, Joe, was very fond of him (loved him like a dad). I'm very thankful that he took to Joe & treated him well. He will be greatly missed
