“ *Becky, Tammy, Chuck and extended family you have my deepest sympathies on the passing of Randy. As a family you gave him all that any family could possibly give to fight this horrible disease, unfortunately this disease is tougher than all of us and the doctors. The most important part is the love that you had for him and he had for y'all, that you can always cherish. The Society Hill community has lost one of it's best and he will be deeply missed. The lord will bless and keep you through this difficult time. Rest in peace my good friend til we see you again. May God bless you all.*
