

Charles B. Weatherford

July 14, 1950 - July 22, 2025

Charles B. Weatherford, 75, of Darlington passed away July 22, 2025.

Charles was born on July 14, 1950, in Darlington County. He was the son of the late Clifton and Virginia Weatherford. He was raised in a hard-working farming family. He married Peggy Ann Player. He no longer wanted the farming life, so he got a job at Wise Construction. He worked there 30 years before he retired in 2006.

Charles enjoyed hunting and fishing and watching wrestling.

Charles is survived by his son, Charlie Weatherford and wife, Denise; his daughters, Kathy Caulder and Judy Lynch and husband, Donnie; his brothers, Michael Weatherford and wife, Marie and David Weatherford and wife, Tina; his sisters Virginia Weatherford and James Gainey and Lisa Stewart and husband, Ken; his sister-in-law, Helen Chapman; and his favorite grandson, Donnie Lynch and wife Desirae.

His final days were spent at Oakhaven Nursing Home. It was there he received excellent care by a kind and generous staff. He was able to move around the facility in his rolling chair and occasionally slip out for a "smoke break". Mr. Charles enjoyed smoking Seneca Cigarettes and appreciated their sponsorship. He was a loyal customer, and they were a great company to smoke for.

After Peggy passed away, Charles found company in his cats and his dogs. They watched TV together most every night and his cats had actually grown fond of wrestling. He always said he didn't like those aggravating animals, but

he treated them all like royalty. In his memory his family asked you consider making a donation to The Darlington County Humane Society. Hopefully it will help some of those cats and dogs to find them a Charles B. Weatherford. Graveside services will be held Saturday, July 26, 2025, at 4 PM at Darlington Memory Gardens. Pastor Randy James will officiate. The family will receive friends following the service at the cemetery.

“ He was a great Brother-n-Law. He loved to coon hunt. I said to him one day at his home, that I always wanted a baby raccoon. Will about a month went by, and I got a phone call from him. Saying he had something for me, could I come to his house. Well... yes. It was a small raccoon. 😊 his brother said I wouldn't be able to tame it. He was wrong. Within 2hrs. I had it taking grapes out of my fingers. One of the best memories. Love you Charles ❤️

Condolences and Prayers to Charlie, Kathy, Judy and the Rest of The Family. Been knowing Charles since before Charlie was born, when He and Peggy Player got together. Living on the same street, good neighbors and good hearted peoples. Around Darlington, that's a thing of the past. When neighbors gathered on each others porches to swing, visit, shell them beans and peas, being happy and comfortable just passing the time away. Looking 👁️👁️ out for one another and our neighborhoods. Thanking GOD for those olden days, times gone by and cherished memories. RIP to Mr. Charles, You were one of the good ones! 🙏🌸
