“ *Cindy and I have been friends since grade school..I can remember staying on Friday nights .. we'd go grocery shopping then come home and watch Wolfman Jack late at night ,playing records and singing....DOYLE would come in and yell at us to turn down that music because he has to get up the next morning and work... We'd giggle and laugh till next time..Such great memories I have.. They'll never be another Cindy, she was one in a million..Doyle and Charity I'm sure if there is a way she will keep on talking and letting us know how much she loves us...Till we see each other again...I love you Cindy..*
