“ *My thoughts and prayers are with the family. I'm so sorry for your loss. I came to know Danny boy many years ago because he is "daddy" to two of my closest friends (Ashley & Danielle). Throughout all these years, I can't think of one memory of Danny boy that doesn't make me smile for one reason or another. He was such a fun- loving person who would give you the shirt off his back, never met a stranger, would light up the room when he walked in and always had everyone laughing at his jokes! He will be missed so much!*
