“ Ms. Darlene my Family. I met Ms. Darlene a week or so after my Mom was admitted to Commander Nursing Home. I walked in Mama room, and there she was, smiling and saying good morning. From the first time we met, I knew God sent her to help me look out for my Mom. What do I mean by that, she was not getting paid to help with Mama, but what a Blessing from God for our family to have her in our lives. I quickly asked her name, and she said proudly, Darlene Windham. So many things to say, for the good and for such a sadness myself and my family have for our loss. When I would see Mama, we all talked together. Thats why, I say, she was God sent. Ms. Darlene would (I know this without being there) she kept an eye on Mama, and looked out for her. The staff would come for her to play Gingo, and she would say, I don't have any money. They replied, you don't need any money, she replied I have visitors. When I found out what type of food she could have, Ms Darlene and Mama I would bring them the exact meals, their snacks, and their drinks. The exact thing. She would smile as she was eating, and always said thank you I would visit her, and when the staff that I told that Ms. Darlene was my family, they quickly got up and went to confirm it. They were told that I am Ms, Darlene Family. I heard about her injury after she had return from the Hospital. God set it up so that I would visit Ms. Darlene this time, 3 times in one week. He was preparing me for our lost. The last time I saw her, I kissed and hugged her as always. I returned on Sunday 28 visited Ms. Darlene was last Wednesday, when she was still of this world. She was trying to tell me something. I saw her raise her hand toward Heaven was talking to someone. I asked her, are you talking to Jesus, please tell him and my Family hello, and we will all be together one day. I returned Sunday, and she was gone to Heaven. My Sons, and I love her so much. I had to break the news to them, not so good. Ms. Darlene was sent to us from Heaven only for a short time, but what an impression she made in our lives. I am Frances-Sarah Myers Daughter-Love you forever. When I get to Heaven, I will find you there. Peace Be Still.

I sure hate to hear this. I can remember many times at my Mom's playing cards and drinking coffee. She is going to be missed. All her pain and suffering is no more may she be in glory with our Father God. Love you Aunt Dar.
