“ *The life of every man's a journey with many twists and turns. Some lead to happiness, some lead to horror. All of them eventually leave home.*

For my friend David Martin. You were a good man, a hard worker, and more importantly... A friend to anyone who needed one. I will miss our deep philosophical discussions and all the crazy money making schemes we shared. Mostly though, I will miss your quiet strength and easy smile. Rest well old friend... You've earned it.
