“ *We met the Sheffield family through Hayden playing with my children. After then, the Sheffield family became a household name within our family. Hunter, Pop, Stacie.. our prayers are with you. Hearing of Matt's passing is definitely a hard pill to swallow. We are only a phone call away. Matt will definitely be missed. The Scott family (Shonee, Michael, Shelly, Marc, and the kids)*

“ *Soooo many people have written on this site for you, Matt. You'd feel so honored. You were so loved. It says to share a memory here and my favorite memory of you is how when I found myself in a horribly abusive relationship, you protected the kids and I in a way that my father and grandfather would have. Now, you're with them and they can tell you how thankful they were for it. You were an amazing man and you will be missed deeply.*
