*We really will miss Top. We loved his singing  
So did the neighborhood .He made such an impression on them at our  
cook-out. On Saturday everyone was talking about him at the picnic.  
They remembered how  
he came over after Hurricane Mathew to help with cleaning up the  
debris . Then there was the painting that he did in the bedrooms and  
kitchen. Every time we look at those walls we will remember Top. Gary  
will really miss him. Today he looked at pictures of Top and Calvin.*
