“ Dawn was a young church friend that we lost touch with years ago. We kept up with occasional updates through family. We were surprised to hear of her passing through Tony and Deb. She was so young. Her children and her family are in our thoughts and prayers.

“ It saddens me to know that Dawn has passed away. When we worked at the Mayflower Restaurant, she seemed so happy. The next few years I would see her in places of business's and our conversations did not last as long as they once did. I wish I had just taken a little more time to talk a little longer. My heart goes out to her two beautiful children and her father. My thoughts and prayers are with all of the family...
