“ *Aunt Dianne, we were so blessed that you walked into Uncle Clyde's life and we got to meet and get to know you. I will always remember how sweet you are and what a pretty smile you have. It was our pleasure to have a new, precious aunt and we know you made Uncle Clyde so happy. You will be missed always. With love Michelle and Wayne Reynolds*

“ *Because He lives, you now live! No more pain, no more sorrow! Your first Easter in Heaven! What a homecoming and Easter it must be there. We are so blessed to have the peace that the Prince of Peace gives us but because we are human and are left behind on this imperfect, earthly world you know we are left sad and heartbroken by your absence. Easter and spring is a time of renewal, a new beginning, you are making yours and now we begin ours. Beautiful aunt of mine, my life will never be the same since you walked into my life and my heart! I'm going to miss my birthday buddy but it looks like Grandy Cook was tired of celebrating alone! I know him and daddy's already got their hugs (but give them another form me). Thank you for loving my uncle and choosing to accept and love his family too!! Aunt Dianne, I love you and already miss you! Until we meet again!*
