“ My thoughts and prayers go out to Mr. Jim and Ashley. I loved Mrs. Dianne very much. She was such a lovely, caring and sweet woman. We always had long talks when she would come into the Park Florist in Darlington. She loved her family and her friends. She always talked about Mr. Jim health because she was worried about him. She also talked about her grandbabies and you Ashley. She will be missed dearly.

“ Diane was a sweet, quiet spirit. she loved her grandbabies with all of her heart and I'm sure she loved the whole family the same way. May God bless with you and give you peace now and in the days to come. it won't be easy but God would never allow you to stay in the pain you're experiencing now. I know the memories she made with y'all will help sustain you now and in the future.
