February 14, 2024

It is with deep sorrow and sadness that Tony and Kelly Howland announce the passing of their son, Dillon Howland.

Dillon was born on October 15, 1991 in Dayton, Ohio. He passed unexpectedly at his home in Hartsville, SC on February 14, 2024. Dillon was just 32 years old.

He is survived by his two young daughters, Emerry Howland and Paisley Howland, as well as his parents, father, Tony Howland and mother, Kelly Howland. Siblings Leah Davis and Chance Howland.

Dillon was a loving father, raising his little girls was special and important to him. Dillon took pride in his home and his yard, he wanted everything perfect for his little family and did everything he could to make it that way.

Dillon loved his brother and sister very much. He spent lots of time talking with

them on the phone and visiting every opportunity he could. Family relationships were so valuable to him.

Dillon was a talented man, he enjoyed playing music with his brother Chance and his father Tony in the family band performing on a regular basis for many events, Dillon was a collector of music as well – his interests crossed many genres. He was a genuine music lover.

Dillon loved being outdoors as much as he could be. He enjoyed fishing, canoeing, and artifact hunting. Dillon had a vast knowledge of the history and uses of ancient artifacts and spent countless hours searching for them and collecting them both with his father. One of Dillon's rare finds was a Dalton nonnative to SC that was published on the cover of American Digger Magazine. Also Dillon was on the cover of the Carolina Chrome Magazine alongside his father and brother.

Dillon was funny, kind, respectful and deeply sentimental. If he loved you it was unconditional and unending.

He will forever be missed by his family and friends and all who loved him his memory will forever be in our hearts.

The Directors of Kistler-Hardee Funeral Home of Darlington are honored to be serving the Howland family.
