One of the most difficult things I experienced was writing Don's performance evaluation. Everything he did was without fanfare or dramatic situations. Things around Don happened just as they should with no crisis or even a "mini crisis." Sleep came easy when you left Don in charge. Love you brother. Rest in peace.

I have only fond memories of Don at CP&L. We often ran into each other at Pee Dee Healthcare and it was always a pleasant occasion. I will miss Don. Rest in Peace, Brother.

Worked with Don while at Robinson Nuclear. He always had the time to speak with you and was a pleasure to work with. Prayers for the family and may he rest in peace.
