“ *Momma loved to travel...even if she had to go alone. She even made it to China & Israel. I remember picking her up at the Amtrak terminal several times & she was always excited to visit. She loved it in Florida & really enjoyed family visits here. Bless her heart...she finally made it to heaven too. RIP, Momma You will be missed but not forgotten. I will always remember blowing kisses to you awhile you were saying "I love you" just a few short weeks ago when we were leaving to come back home. It's a bittersweet memory I will always hold dear to my heart. You were a great momma. 💔😭*

Dorothy (Dottie) was one of my two sisters. She loved her Lord, loved to serve and sing in church, loved to garden, and especially loved her husband dearly, and was a loving and caring mother. She also liked to laugh a lot and have family around. I will miss her, but see her soon when I also go to meet my Lord.
