“ I just happened to be looking into the current whereabouts of Paul and was saddened to find out that he passed away. Paul and I were in a relationship for 7 1/2 years. His talent in floral design was unmatched. We only spoke to each other a handful of times after we separated since he was moving back home to be close to his mom. We had some great times together. I am so saddened and just wish that I had stayed more in contact with him.

Miss you Paul.
