“ *My Mom!! You were one Hell of a force in a little package. You were always the first one that I thought of upon waking every morning. You so loved all your family and always worried about us and our well-being. Mom, This is so hard and I will always think of you ,especially watching the game shows that you loved so much and was so good at. Those crossword puzzles didn't stand a chance with you. I know you are finally with Bucky,grandma and granddad, and giving Daddy Hell... I love you so much*
