“ *She was always the one to help others...God and her family where the most important things to her. She would put her self last ..often over looking her own needs. The world will be a less loving place with out her... I will miss her .. As will all who loved her... Be at peace...*

“ *I will miss my dear sister drastically every day. We were close and talked about our daily lives often. Most of all she talked of missing her husband severely and wanted to go to heaven to be with him. God has granted her that wish. Their spirits are one again. What a heavenly reunion. Blessings to the sons and family whom she loved dearly. Until we meet again; sis I love you Linda & William Weatherford*
