“ I am so sad and my heart goes out to Gary, Donna and Debra. Scottie was certainly one of a kind and lived life "his way". I just recently talked to him in June and he said everything was great but he was thinking maybe a new start down in Georgia was what he needed. I'm sorry that didn't happen but I guess it wasn't God's plan for him at the time. Sometimes he would get so excited and I would have to interrupt him to tell him to SLOW down because I couldn't understand what he was saying, as was the case the last time I talked to him!!

I always felt very close to Donna and Gary and Scottie too. When we would come from Georgia to visit Nannie and Pop we would always be playing baseball together and Tony McLendon would ride his MoPed down to Nannies to play ball with us. Scottie would want to play but he was too little. So he would cry about it and Nannie would get onto us and make us let him play. But since he was so much younger he would get tired and be satisfied and then leave us alone!! Scottie was certainly a character and could be so irritating at times. But I loved my younger cousin and I pray that God has forgiven Scottie and has taken him in his loving arms and made all his pain and heartaches go away. And I pray for peace for Gary, Donna and Debra and pray that they remember the "good times" and that God gives them the strength they will need to go on in this life on earth until they are called upon by our God Almighty when it is their time to answer to the Master.

I love you Gary, Donna and Debra and you too Scottie Dabbs.

“ *My husband and myself went to school with Scott. From time to time we would see Scott and talk with him, most of the time he was walking with a construction belt either going to work or looking for work. Scott's life was hard and it saddens both my husband and myself to know he has passed away. Scott will be missed greatly, we got use to seeing him and speaking to him, trying to make sure he was okay. Our thoughts and prayers are with Gary and the family.*

“ Scott was my brother in-laws for almost 30 years and my heart breaks for Gary & the rest of the family. Gary was always a phone call or cab ride for his brother no matter what time of night it was. All of the family tried to help him however Scott lived by his own choices & lifestyle. He will be missed. Sincerely, Jenez Dabbs
