“ *I'm so thankful that I knew George. I saw him only a few times but he was the same every time. His demeanor was always pleasant and you knew without a word that he was truly a child of God. I hurt as a friend in his loss and pray that through his friends, his family will see what an impact he made on this earth. May God carry you through this sad time and allow only the pleasant memories to surface. I know that he is truly in the presence of God. So thankful for his life and the impact he made on all of us who knew him. he was really a giant of a man.*
