“ So many memories over the years. The fun times. The family gatherings. The things taught. You were so full of life and such a joy just to spend time with. You weren't much older than your nieces and nephew but often we'd spend time with you and when you had our cousins all of you guys. The memories flood my mind. You loved outdoors and the creek life . I rember the stories about you guys just boating down that creek checking your traps fighting the snakes. The adventures we had back in the younger days. Country living was life then. Unfortunately we grow up and life takes us places and we have separate lives. You will forever be remembered by all who ever had the pleasure of being around you. A hard worker a wonderful mom I'm sure a wonderful grandmother. An aunt a sister a twin a daughter a wife and certainly a friend. Caring and kind always looking for some good times. Family gatherings were amazing and you always made sure everyone was cared for. You're memory will be forever with us. No more pain. You will be forever loved aunt ginger.

“Ginger, I was shocked to learn that you had passed to the other side. I had no idea you were ill until after you passed away. I am in complete shock and very sad because I know you were a good person. I know my mom will greet you and my grandma, since you were a part of our family for quite a few years and I will never forget you.
