“ We are so very sorry to hear of Toni's passing. Our condolences to the family. My husband, Chip and I met Toni 20 years ago in Jamaica. We would make plans to see each other there several times a year. She was a lovely, sweet person. We would always have so much fun. She and I have kept in contact all these years since then with texting on playing Words with Friends. I knew something was wrong since she had not responded in the past 9 days in our game. I knew she had been struggling health wise for the past several years. May she be at peace now. Janice and Chip Steele
