“ *Harriett, Billy and I go back to our childhood years in church and schools. Harriett and Billy got together during our high school years. She had a driver license, And Billy and I didn't. She would drive us to the movies and other hang outs. Get us home in time. Harriett and Billy became a couple during our outings and married after falling in love. They were my best friends during those years and that has always been a special time in my life. Harriett was a special Christian lady all her life and I rejoiced she has joined many of her friends and family who are in the loving arms of our God. Harriett will be missed by many and the memories she created for her family will be cherish as her life is celebrated in her community she lived.
Love, Boobie.*

“ Harriett loved her church and church family. She rarely missed a service and enjoyed working with the children. We have so many fond memories of her. I'll never forget the time she took Jordy and me to an Atlanta Braves game. It was our first time and she made a young 6 year old boy so happy! She truly enjoyed life! Sending our prayers and love!
