“ We would like to express our sincere condolences to you and your family. With deep sympathy, we share your sorrow, after the tears have dried and the goodbyes have been said, all we have to hold onto are the happy memories that we've shared with our loved ones who have passed, this is what keeps them alive in our hearts and in our minds, and they will continue to live on, through us. May God give you the strength to endure the pain you are going through and may he embrace you and comfort your family during this difficult time."Jesus said to her: 'I am the resurrection and the life. The one who exercises faith in me, even though he dies, will come to life.'" - John 11:25

“ I have lost part of my heart , Harvey was not only my brother but also my friend . He could make anyone smile just by being his silly self . He was the biggest Bruno Mars fan around . He would put on a fedora and walk out and say Bruno Mars in the house . He loved his little job and took such pride in doing it . Growing up I spent most of my time taking care of him so he was called my little buddy . My lol buddy is gone physically but will always be a part of me and always be with me . I love you lil buddy.
