“ *My heart breaks for Hector's family. He was such a good man and he genuinely and openly loved and adored Jesus Christ with all of his heart. He loved to sing praises to God and was bold enough to share his travels and his singing for the world to hear on facebook. He impacted my family's life in only a few short months---there was nothing he couldn't do, fix, or make better. We miss him and will always remember his kindness, generosity, and consummate smile. I know, beyond a shadow of a doubt, he is laughing, singing, and celebrating in heaven with his Savior, Jesus.*
God Bless You Hector.
