“ *I met Wes when we both served together in the Peace Corps (late 1977 thru 1979). I recall how Wes just seemed to have that natural charm and leadership ability among the group of volunteers from all over the United States. I admired him for that. My sincere condolences to his extended family.*

My prayers go out to all the family during this time. Although I've known Wes for many years, I got to know him even better this past season walking the sidelines on Friday nights watching his son, Ethan playing ball. Like me, watching my son play only a few short years ago on that same field, I could see the tremendous amount of pride and enjoyment Wes had seeing Ethan making tackle after tackle out on that football field. It was fun. I really enjoyed those Friday nights with Wes. He was a special guy and one that will be missed by many. CC Kirby

“ So sad hearing Wes's passing. Even though I have not lived in the Lamar area for some 40 years, somehow over the years our paths always seem to cross. The funny thing was we always continued where we left off. My thoughts and prayers go out to your family at this difficult time. See you later on, rest easy
