“ Whenever I needed to talk to you, you were always there. Such a great listener. I’m going to miss all that. Your cooking, your jokes, your love, everything! This just doesn’t seem real at all Pops. I know I have to be strong for your babies, but it hurts. To know the day you passed, that 4 minute conversation I just wish we could’ve stayed on the phone a little longer. I love you soooo much Daddy. Rest on.
